

REVOX

REVOX BOTANIC

A UNIQUE LOUDSPEAKER

IMPRESSIVE SOUND INDOORS OR OUTDOORS

A unique loudspeaker.

Easy to use and connect.

Thanks to powerful Invisible Speakers from Revox, the side surfaces of the highquality and very decorative plant pot are used for impressive sound reproduction.

REVOX BOTANIC

A UNIQUE LOUDSPEAKER

For an elegant, surprising and very sonorous musical experience - outdoors and indoors.

Visually perfect and individually integrated into the respective home design, the Botanic offers acoustic highlights.

Special variants for use indoors, e.g. in the living room or in the entrance area, as well as outdoors, e.g. on the terrace or by the pool.

The Revox Botanic is available in the color anthracite and in two sizes (50x50x50cm and 70x70x70cm) in different designs. It is hand-made from fiberglass and is stable, dimensionally stable and weatherproof due to the special material properties.

Here you can find the technical data for the Revox Botanic.
